SLIDING FEE SCALE PROGRAM

ConnextCare offers a sliding fee scale. This means we can reduce your charges for services based upon your household's income. If you have insurance, we will adjust only the portion that you must pay. Once approved for sliding fee, your coverage is valid for one year. You must re-certify every year to maintain your coverage.

Our sliding fee scale program will also pay a portion of your medical lab and pharmacy bills if you have no insurance coverage. This laboratory benefit is only available for lab work done through Oswego Hospital Laboratories. A provider of ConnextCare must order prescriptions and lab work.
If you are eligible for patient assisted medicine, we do require you to apply. All Medicare applicants who are 65 or older will be required to enroll in EPIC, New York State's prescription plan for seniors. The sliding fee program will reimburse you for EPIC's annual fee and all prescription co-pays at the level of program discount. For example, if you qualify for 75% sliding fee, we will reimburse you 75% of your annual fee and co-pays. A form is available from our Outreach and Access Representatives to submit receipts for reimbursement. Receipts may be submitted at any time; however we will only send checks quarterly. Reimbursement checks will be issued at the end of March, June, September and December for all receipts submitted to date.

Please check the income chart below. If your gross yearly household income appears on the line that shows your household size, you may be eligible for reduced charges. Complete the application form on the reverse side and bring it to the front desk at one our health centers so that we can set up an appointment for you with one of our Outreach and Access Representatives. You may also mail the form with necessary income verification to the address above and we will contact you to set up an appointment. If you have any questions you can call the ***Pulaski location at 298-6564 and ask to speak with our Outreach and Access Representative.***

All sliding fee patients are asked to pay a nominal visit fee of $15.00.
